

## SPONSORSHIP FORM

The Saybrook Township Park summer ten-week summer concert series "Sounds on the Shore" has been well received by the community for over ten years. It celebrates the talent of local artists and presents an eclectic mix of musical genres, while enjoying the picturesque setting on the bank of Lake Erie.

The Park Board would like to extend sponsorship opportunities to local businesses so they are also showcased at each Wednesday night concert. Sponsorships will go solely to the support of all of the bands that are booked. A banner will be displayed at the Park listing all of the business sponsors.

Saybrook Township Park is a local government unit. As such, donations will be tax deductible. (Donors are advised to consult your tax advisor as the park cannot give tax advice.) Receipts will be provided. If your business would be interested for the 2024 season, please complete the information below accompanied by your check for \$250.00 payable to Saybrook Township Park, PO Box 3124, Ashtabula, Ohio, 44005-3124.
